Tailor-made Logistics solutions

We provide tailor-made Logistics solutions to each of our clients, as each of their requirements are unique. This has resulted in the growth in our clients and revenues year on year. With our vast knowledge and experience we have tailor-made solutions to suite each of our clients' requirements so as to substantially reduce their logistics cost.

STRATEGY AND CONSULTING:

Equipping you with the big picture, we identify what's working, what isn't and what can be optimized for operational efficiency. Using a variety of world-class tools and methodologies, including sophisticated modelling and scenario planning, we apply our analytical skills to uncover potential complications and profitable prospects.

The BESPOKE concept

Re-engineering and integrating logistics processes account for over 70% of potential savings and service enhancements in a supply chain.

By creating supply chains that are dynamic, adaptable, responsive and visible, we develop performance based supply chains that drive costs down and profits up

Bespoke's result oriented concept is unique. This is a systematic approach towards conceiving and executing customized solutions. Our logistics experts develop new ideas and strategies, design comprehensive solutions and establish meaningful results.

Innovation sits at the heart of smart supply chain solutions. Solutions that exceed expectations and deliver exceptional results.

Thinking out the box, breaking down barriers and pushing boundaries is our way. We identify hidden problems by knowing what to look for and where to find them. We then transform the right possibilities into profitable opportunities.

BESPOKE concept model

Since the exhibition held in London in 1851, the World Expos has served as a vital platform for strengthening global unity, celebrating cultural diversity and showcasing technological advancements. The Expo brings significant economic, cultural and social rewards to its host, so we are all pushing hard behind Dubai's candidacy. A win would be significant not only locally but regionally as well.

The next World Expo will be held in Milan, Italy, in 2015 with a focus on 'Feeding the Planet, Energy for Life.' The UAE is bidding to host the World Expo 2020 in Dubai under the theme 'Connecting Minds, Creating the Future. Bespoke Shipping Services supports the vision of organizing Dubai Expo 2020 as a platform for connectivity to help forge new partnerships for growth and sustainability amidst the changing global economic and social landscapes
